### IMH Employees Donate Quilt to La Grande Fleur

A group of very dedicated and talented Ivinson Memorial Hospital employees worked together to design and craft a very bright and lively quilt. Each member of the quilting group provided a square or two which were then compiled into the quilt. Cynthia Deveraux of Quilt Essentials and Catherine Symchych provided assistance throughout the project.

IMH employees who participated in this project are Debbie Platt, Kay Soderberg, Lynnae Rusch, Cindy Garnich, Wendy Ware, Carol McMillan, Laurie Floy, Ludonna Stone, Laura Abell, Wendy Fix, Chris Schmidt, Penny Rundberg, Dana Kuhn, Megan Carson and Susan Barker.

This is truly a one-of-a-kind quilt. It is priceless and represents how much IMH employees support the Foundation and its events. This quilt is being donated to the 2007 IMH Foundation La Grande Fleur and will be auctioned off in the Silent Auction.
