what is PAVE?

PRE-ADMISSION VISIT AND EDUCATION

Your PAVE appointment will allow you to meet one-on-one with an experienced registered nurse staff member from the Family Care Unit.

We will provide you with the pamphlets, education, and information to access a prenatal booklet in order to inform you better on what to expect when you arrive at the hospital.

All of this will ultimately shorten your admission process and allow your healthcare providers to prepare, plan, and deliver your care more quickly and efficiently.
